.

EXPERIENCE

01/2023 – 07/2023
EMPLOYEE, AMAZON

I managed robots and programs to control said robots. I would also make sure that these robots are going in the right areas to pick up the correct product. Often the robots would run into programming issues or mechanical issues that I would be responsible for correcting.

05/2022 – 10/2022

ASSISTANT PRE-K TEACHER, HONEY CREEK PRESCHOOL

Tasked with the safety and wellbeing of children while providing them with a fun and safe environment.

EDUCATION

2019
HS DIPLOMA, PAPILLION LAVISTA HIGHSCHOOL

2025-2027
AASIT - COMPUTER PROGRAMMING, GAME DEVELOPMENT, METROPOLITAN COMMUNITY COLLEGE

SKILLS

- Intermediate in Object Oriented Programming.
